

Oak class

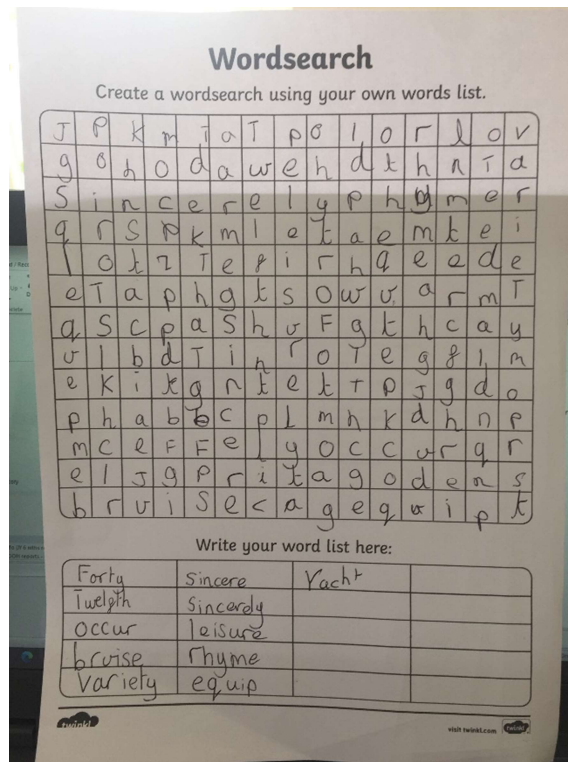

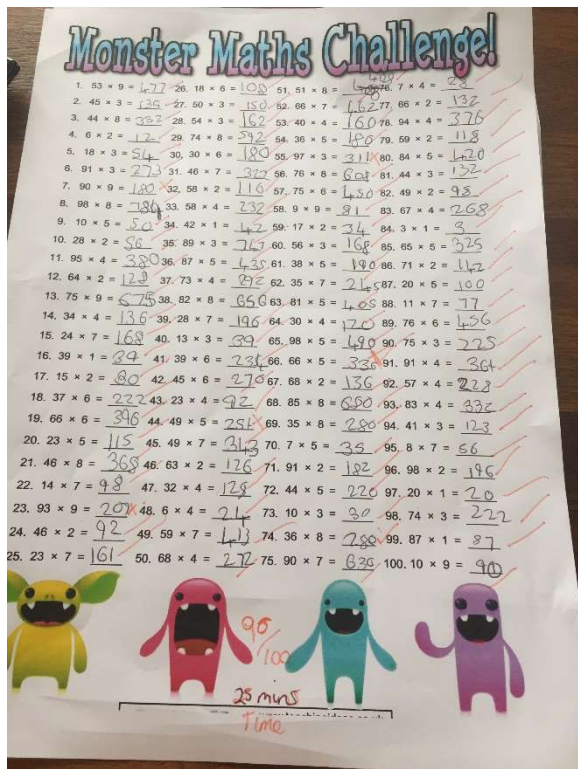

I hope that you have all had a good learning week at home. Thank you for the photos of home learning that were sent to me this week, as always it is lovely to see what you have been doing.

Mrs Cox.

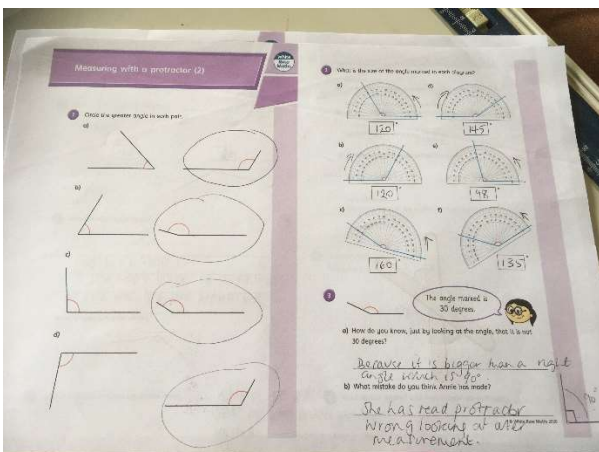

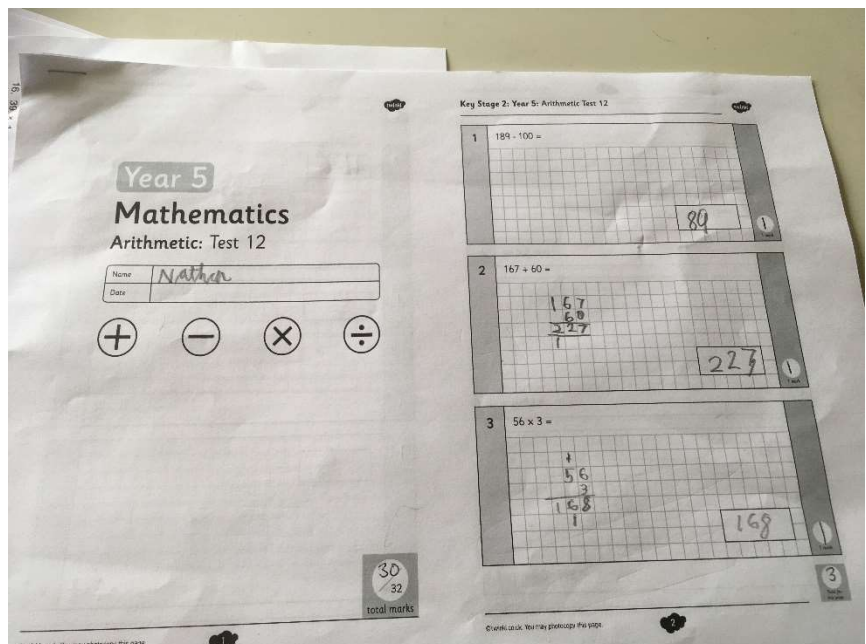

Well done for having a go at the science experiment Alfie – it looks like it worked too. You have also created a superb looking maths games. Well done – let me know when you've had a chance to play it. Lovely framed nature artwork inspired by Andy Goldsworthy – it looks like a bumble bee.

Well done Kirby, another super arithmetic test result this week and I'm impressed with your multiplication knowledge – 100 questions answered in 25 minutes. Can you find the words in Kirby's word search?

Super maths Nathan – I'm very impressed with your arithmetic score too. Dinner looks delicious – I hope it tasted as good as it looks.
