

Dear Parents and Carers,

It has been a busy week at Christopher Reeves. On Wednesday we invited a photographer into school to take some photos of all the great things we do in school. She was very complementary and impressed with the children's behaviour and general conduct around school. Well done everyone! We will be updating the school website as soon as we have the photos sent through.

On Monday we have our school photographer in taking individual photos of the children for you to purchase should you wish. Please make sure the children are in correct uniform and looking smart.

Have a wonderful weekend.

Christopher Reeves Vision and Values

This week the children have been learning about Respect and the importance of this core value. The children thought about what this looks like in everyday life.

Who can I contact?

If you have any queries about your child and their education, please contact your child's class teacher in the first instance. They will be available at the classroom door each day at the start and end of school.

If you need to speak with a member of staff about SEND or behaviour, please contact the following members of staff:

SEND – Mrs Laywood-Hill (Willow Class)

Behaviour – Mrs Clark (Juniper Class)

Online Safety - Find the Fake

How good are you and your children at spotting misinformation?

Internet Matters' free **Find the Fake** activity is designed for families to try together. It's a simple way to start conversations about whether something online can be trusted and what children can do before believing or sharing it.

Why not try it together and see who gets the highest score?

Parking

Please be mindful when parking your car in the village to drop off and pick up your children. There have been instances where parking has been illegal and very dangerous. The garden centre and cricket club have been very generous in letting us use their parking facilities so please make use of these when you can.

Picture News

The story and question that the children will be thinking about next week is...

Nepal has announced that its wild tiger population has more than tripled, rising from 121 tigers in 2010, to 429 today.

Question: Do wild animals have as much right to the land as we do?

We Need Your Help!

During the autumn term we hold our prospective parents open mornings. These are popular with parents looking for a school place for their child to start school the following September. Our open mornings are popular and it is wonderful to show prospective parents our amazing school however,

WE NEED YOUR HELP!

Please share this flyer and social media posts with anyone you know that might be looking for a school place for September 2027 and please shout from the rooftops about how wonderful our school is. It is word of mouth that makes all the difference. We need to encourage families from the surrounding areas to come and see how great Christopher Reeves is. So, please do your bit and tell everyone about us.
