

Colour - Topic Homework

Acorn class have really been enjoying their topic work this term all about Colour. We would like to invite the children to take part in a 'Family Challenge'. This would be a mini project linked to our topic 'Colour'. Below are some ideas of some projects that you may like to do together as a family. Please choose one (or use your own ideas) and bring it into school, week beginning Monday 10th December. During that week the children will present their project to everyone in Acorns.

- Junk modelling/collage: Make a Rainbow Fish or Mixed Up Chameleon.
- Recite or write a colour poem to perform to the class.
- Try some colour mixing.
- Write your own version of the story of the Rainbow Fish, The Mixed Up Chameleon or The Day the Crayons quit.
- Make a colour collage from different materials.
- Create a fact sheet about fish or chameleons.
- Paint or colour a rainbow.

We cannot wait to see what you create!
Thank you for your continuing support,
Miss Fairey and Mrs Cranage
