

Dear Parent / Carer

For the week beginning **Monday 14th January 2019**

Topic this term: Travelling Tales - AFRICA

We will be:

- Retelling the story of Handa's Surprise in our own words.
- Counting objects to 20 and understanding the value of each number.
- Tasting and describing different fruit.
- Observational drawings of fruit.

We will be trying some different foods this week from Africa. To help with the cost of this we would like to ask for help. I will be buying a few different foods to try but if you are out doing your weekly food shopping and you see a fruit or vegetable from a different country please could you buy one for us to try, particularly if it is from Africa!

We are finally going to end our class 'Show and Tell' sessions, even though the children would happily carry on! To help the children to continue to develop their communication and language skills, we are going to replace these sessions with a Question Time. The children will be given a question or scenario, which will require them to think carefully about their answer, there will be no right or wrong answer, just whatever they think.

Thank you from Miss Fairey and Mrs Cranage
