

Dear Parents / Carers,

For the week beginning **Monday 25th March 2019**

Topic this term: Easter

We will be:

- Identifying, naming and sorting 2d and 3d shapes.
- Constructing models using shapes.
- Thinking about why Christians celebrate Easter.
- Making an Easter garden.
- Writing an invitation.
- Making some surprises for our Mummy.

Tapestry - We love to see things that the children have done at home. If your child makes a model or picture using 2d or 3d shapes, please send in a photo to add to their Early Years Foundation Stage profile.

We have welcomed two new members to Acorns class. We have two goldfish. Today we had to think of names for them and we will take it in turns to feed them and care for them.

Please can each child bring in at least one box to make an Easter garden, a cereal or shoe box would be a suitable size. Any spares would still be appreciated as the children are currently enjoying making lots of models in our art area.

Don't forget to start thinking about your Family Challenges to share in the last week of term.
