

Dear Parents / Carers,

For the week beginning **Monday 29th April 2019**

Topic this term: People Who Help Us - Firefighters

We will be:

- Counting back from 20-0.
- Counting out a number of objects from a larger group.
- Finding out about how Firefighters help us.
- Creating models of fire engines.
- Talking about how to keep safe in our home.
- Creating fire coloured paintings and collages.
- Looking at interesting and unusual images of our world and talking about how they make us feel.

Things to do at home:

- Can you count out a number of toys from a large pile?
- Learn the words to the rhyme, London's Burning.

- We are hopefully starting to enjoy a spell of warmer weather soon. Please can you ensure your child has a named sunhat in school every day and if your child needs sun cream please apply it before school. Children may bring a named bottle of sun cream to school which will be kept in a box in the classroom. The children will be encouraged to apply the cream by themselves, with guidance from the adults if needed. Having said this, raincoats are still required.... just in case!
- During this half term we are going to be learning about 'People Who Help Us'. If you or any family member or friend has a job that helps people and they would like to come in and talk about what they do, we would be very grateful...and the children would be excited to ask lots of questions!

Thank you, from Miss Fairey and Mrs Cranage
