

Dear Parents / Carers,

Our focus this term is on **All About me - Celebrations - Birthdays**

For the week beginning **Monday 8th October 2018**

We will be:

- Finding out how people celebrate their birthdays in different countries around the world.
- Writing birthday invitations and cards for two special Acorn friends!
- Making a birthday cake
- Creating lots of birthday party preparations in the art area.
- Counting and ordering numbers to 5, 10 and 20.

Things you might like to do at home:

- Have a 'birthday party' with your teddies. You could even take a photo and upload it to Tapestry!
- Use the internet to find different ways of saying 'Happy Birthday' in different countries around the world.

Items from Home:

- An item beginning with **d, f, v, e**
- Please can we ask for any offcuts of wrapping paper for a craft activity and any spare party invitations/birthday present tags for our mark making area.

P.S:

Every Tuesday, 3.30-4.00pm is our 'family phonics' session.

Don't forget Monday is Library book day.

I can see some parents have still not activated their Tapestry account. If you need any help, please come and see me. Also, why not try and have a go at adding an observation of your child's play or learning at home. The evidence all helps towards their Early Years Foundation Stage Profile.

Don't forget to send your parent consultation replies back if you have not already done so.

Thank you from Miss Fairey and Mrs Cranage
