

Dear Parents,

Our focus this term is **All About Me - Myself**

For the week beginning **Monday 18th September 2023**

We will be:

- Talking about our likes/dislikes, things we are good at and things we would like to learn to do.
- Describing what we look like and noticing similarities and differences.
- RE - share occasions when we have felt special and know some Christian beliefs about how people are special to God
- Maths - sorting objects that are different sizes, colour and shape

What a fantastic first full week of school everyone had last week. The children have already established good morning routines coming into school; organising their belongings and settling down before registration. The children will begin to complete some 'morning work' when they come into school. For the next few weeks we will be practising writing our names.

This week in our Read Write Inc Literacy lessons, we will be learning the sounds m, a and s; practising how to say the sound, recognise it and write it. We also met Fred the Frog, he likes to use 'Fred Talk' to say sounds and blend them together to read words.

Thank you to the parents who attended the Read Write Inc (RWI) information session. We hope you found it useful, as the children progress with their reading and writing, you may find you need further information, please always ask if you are not sure about something or need support to help your child.

Our junk modelling station is in need of junk! We are always in need of recycling materials such as small food boxes and kitchen rolls to help us with our artistic creations. Please send them in anytime.

If you are a Facebook user and new parents of Acorn class, please send a friend request to 'Acorn Class' to see what we get up to in class. If you cannot find the page, please let me know as I cannot send friend requests.

Tapestry is now up and running, hopefully you have been able to access your account and enjoyed seeing what the children have been learning and achieving. Thank you to the parents who have already commented on observations and uploaded their own observations. I am very impressed!

The change in weather means all children now need to bring a coat or raincoat to school everyday please.

Kind regards, Miss Fairey and Mrs Dennis
