

Dear Parents,

Our focus this week is **Seasons - Autumn**

For the week beginning **Monday 2nd October 2023**

- **We will be:**
- Continuing to look at signs of Autumn, observing the changes and thinking of words to describe what we see.
- Looking at the word Hibernation and finding out which animals hibernate.
- Creating Autumn pictures/collages.
- Maths - exploring patterns
- RE - What groups do we belong to? How do we know we belong to a group? What groups do religious people belong to?

**Things you might like to do at home. Don't forget to upload photos and videos to Tapestry:**

- Create some patterns using natural resources, colours and objects.
- Make a home for a hibernating animal.

We are thinking about the different types of groups we belong to, eg, Brownies, Cubs, Swimming lessons, sports/dance clubs etc. if your child belongs to a club please may they bring in something about that club that they can share with the class; a uniform, jumper, badge, certificate etc. National Poetry Day - Thursday 5<sup>th</sup> - Acorns will be celebrating poetry in Collective Worship along with the rest of the school. This years' theme is Refuge. We will be using resources from the website <https://nationalpoetryday.co.uk/poems/> in our learning and activities. We will also be sharing poetry in our daily Love of Reading sessions. Please bring in any favourite poetry books that you enjoy at home.

Harvest festival -Friday 6<sup>th</sup> -9.15am - parents are welcome to attend at St. Mary's church, Podington.

Please may all children bring a coat to school every day.

Kind regards, Miss Fairey and Mrs Dennis
