

Dear Parents and Carers,

Welcome back to a new school term! I hope you all enjoyed a relaxing break over the Easter period and are ready for a wonderful start to the summer term. It has been great to be back at school with the children this week and seeing how well they have settled back to the new school term. Behaviour has been exemplary and all classes have started the term well with their new topics. You can find the topic overviews on the class pages of the school website. They were also sent out via email.

The summer term is notoriously busy as we launch into a season of enjoying the great outdoors and hopefully getting the children out and about on school trips and residential visits. Letters will come out for these so please make sure you read them carefully as they will contain a lot of information. We look forward to being able to welcome you to the numerous events that we have planned throughout the term. These can all be found on the calendar on the school website. Have a wonderful weekend.

Christopher Reeves Values

This half term our value is Service.

"Serve one another in love."

Galatians 5:13

This half term we will learn about using our talents to serve, receiving as well as giving, giving with no strings attached and looking at the heart. The children will learn about how these are reflected in the Bible through our Collective Worship programme.

Who can I contact?

If you have any queries about your child and their education, please contact your child's class teacher in the first instance. They will be available at the classroom door each day at the start and end of school.

If you need to speak with a member of staff about SEND, behaviour or safeguarding, please contact the following members of staff:

SEND – Mrs Glennie-Wood (Juniper Class)
Behaviour – Mrs Clark (Willow Class)
Safeguarding – Mrs Bush or Mrs Clark

Safeguarding

What is County Lines?

Grooming is often associated with sexual grooming, but as we all know the process of grooming can be used for a multitude of crimes where children and young people can be exploited.

Internet Matters have put together a really useful guide for parents explaining county lines, how children are targeted, how children may be vulnerable and some resources/support.

You can find the guide [HERE](#).

This week at Christopher Reeves...

Dates for your Diary

All dates for the school year can be found on the school website. Please click [HERE](#) to access them.

Reminder...

As the better weather arrives, please ensure all of your child's uniform is named so that we can return it to its rightful owner should it be lost.

A reminder that children should be wearing black school shoes to school and not trainers. We have noticed a number of pairs of trainers appearing.

Please also ensure that your child only brings water in their water bottle. Spillages of squash become very messy and sticky!

Picture News

The story and question that the children will be thinking about next week is...

Scottish runner, Jasmin Paris, has become the first female runner and one of only twenty to complete what is thought to be the world's toughest race; the Barkley Marathons in Tennessee, USA.

Question: Can you learn to persevere?

Roblox – How to Report...

Most users of Roblox will probably know how to report content or other players on Roblox, but it's possible some won't. There is a 1-minute video on YouTube showing users how to report on Roblox [HERE](#).
